Taurus,
Do you want to continue to receive paper copies of docs or would electronic copies suffice?
Thanks,
Dave

Dave,
I left you a voicemail on this also. Following up on our earlier conversations, have you been able to reach out to stakeholders that typically receive hard copies to see if they truly need hard copies of this draft? Currently we have the following list of stakeholders that would get a paper copy:

Dave Seter
Dave Davis
Jeryl Gardner
Chairwoman McFalls
Cynthia Oceguela
Peggy Pauly
Chairwoman Thom

Ginny Hatch
Ken Green
John McMillan
Dietrick McGinnis
Taurus Massey
Lyon County Library

Others on the distribution list receive electronic copies. We would like to send this report.
Please advise.

Thanks,
-jack
